Community Picnic.

The Directors of the Chamber of Commerce Friday evening made plans for a community picnic in honor of the teachers in the Public Schools, Central College for Women, and Wentworth Military Academy. A committee consisting of Edward Aull, chairman; Dr. Z. M. Williams, J. G. Crenshaw, F. Lee Wallace, E. J. McGrew, L. H. Bell, E. H. White, Judge Richard Field, W. B. Waddell, and Sanford Sellers, Jr., was appointed to make all the necessary plans. This committee has arranged for a basket picnic to be held on the campus of Central College Tuesday afternoon, September 20, at 4 o'clock.

Everyone invited to come and bring a basket, filled with good things to eat and to meet the teachers.

Lexington Sent Special Train.

About one hundred Lexington enthusiasts for the Old Trails route across Missouri went to Kansas City Thursday morning in a special train to attend the annual meeting of the National Old Trails Association. Those who went were well repaid for the trip, as the program was gotten up with a view to crystallizing the sentiment the entire length of the Old Trails in favor of this route across Missouri. It is the consensus of opinion that this sentiment is going to be hard to down when the commissioners to be appointed by Governor Hyde come to designate the cross-state highway under the new law. Anyway it was an enthusiastic meeting and Lexington did her part in making it so.

Mr. Young Resigns Management of the Grand Theatre.

John C. Young, who has been manager of the Grand Theatre since he sold it to the Hostetler-Koplar Trust Estate, April 18th, has resigned and will be succeeded by a member of the company from St. Joseph, Mo., who will take charge Sunday. Mr. Young has been connected with the Grand for nine years and sole owner since from June 6, 1917 to April 18, 1921. Movie parlors of the Grand will regret losing Mr. Young as he has always shown pictures of high standard and the best that could be secured. This company has made Mr. Young other propositions, which he is considering.

Aeroplane Wrecked Near Lexington.

A DeHaviland plane piloted by Lieut. A. L. Thornton, U. S. Army, enroute from Fort Sill, Okla., to Des Moines, Iowa, was forced to land Sunday about noon on the farm of Judge John Owen, southeast of Lexington. The field was so soft that on the take off the plane was unable to gain sufficient momentum and after rising a few feet from the ground became unmanageable and flopped to the ground upside down. Neither the pilot, Lieut. Thornton, or the machinist, Sergt. A. L. Campbell, were injured.

Births.

Mr. and Mrs. Frank Graupner announce the birth of a son, Saturday, September 10, 1921.
Mr. and Mrs. Fred Schwab announce the birth of a son, Thursday, September 15, 1921.

The "White Way" on Franklin Ave., is complete and will be lighted up tonight for the first time.

The Public School Column.

The Lexington Public Schools opened September 5th with the largest enrollment since 1918. The first week's total was 1,057. This was forty-eight more than the first week's total last year. The enrollment by schools follows: High School, 181; Arnold, 338; Central, 242; Taylor, 101; Douglass and No. 2, 145. Two rooms, the third A, fourth B at Arnold, and the first grade at Taylor, were overcrowded and transfers had to be made.

The High School enrollment was the largest since 1917. The gain was in the Freshman class and was partly due to the increased number of tuition pupils.

The Seniors of 1921 have established a record that future classes of Lexington High School will find difficult to beat. At least fourteen of the twenty-seven last year graduates are now attending a college or university. Eight of the remaining thirteen are teaching in the rural schools.

The prospects for a successful football season are better than usual. More than thirty boys are reporting to practice daily. Coach Moles has not completed the schedule but expects to have games with Higginsville, Odessa, Sedalia, Harrisonville and Independence. The first game will be at Higginsville on September 30.

Lexington Public School teachers were the guests of the Board of Education at an informal reception held at the High School building on Wednesday, September 7. Refreshments were served by the domestic science classes.

The High School is indebted to the Class of 1921 for the beautiful clock in the assembly room.

The Board of Education at their meeting on September 7, elected Miss Sallie Bryant of St. Joseph, Missouri, school nurse. Miss Bryant has had excellent preparation for this position. She is a registered nurse and has had eight years experience in the school nurse service, seven as supervisor of the visiting nurse association of the St. Joseph Public Schools. During 1919-1920 she held the position of a supervising nurse in the Southwest Division of the American Red Cross.

CONTRIBUTORS TO ROAD FUND

A Classified List Showing "Who Is Who" in the Community.

The attention of the readers of this paper is called to the list of all who have thus far contributed to the improvement of roads leading into Lexington. A total of \$5,099.00 has been subscribed and paid. About \$3,000 more is needed and when the supplemental list is printed, you will, more than likely, find that the same bunch have dug up the balance. And so it goes; every community has a certain number who are happy to thrive off of it, but are never willing to put anything in it. Lexington has her dead-heads; not many but entirely too many. A study of the list will tell you who they are.

"Complete Satisfaction"

In our business of selling Lumber, we always try to do two things—give a man a little better Lumber than he can get elsewhere, and charge him no more than he would have to pay elsewhere for Lumber not so good.

We find it easier to hold old customers than to make new ones. How about you? Are you wholly satisfied? Let us make you an estimate on your next bill. Large or small—no matter which.

We will appreciate the smallest order and give you the same care, consideration and attention that the largest buyer gets.

Remember, there's satisfaction in quality.
